PRESS RELEASE

FOR IMMEDIATE RELEASE

NADA PREPARES IN HELPING THOSE WHO ARE INVOLVED WITH DRUG ADDICTION

Following the viral issue of a male teenager who is involved in drug problem after being caught trying to steal from a mosque's moneybox in Rawang, Selangor last January 8th, National Anti-drugs Agency (NADA) gets ready in helping any parties who are involved with drug or substance's addiction.

From police's investigation, it is found that the 19 years old teenager decides to steal from the mosque's moneybox due to wanting to purchase drugs and play online gambling. At the same time, the urine test conducted has resulted him to be positive of methamphetamine.

Therefore, in NADA, rehabilitation and treatment service is provided through Narcotics Addiction Rehabilitation Centre (PUSPEN), services in districts, NADA's Service Centre and NADA's Community House.

This includes, rehabilitation and treatment service in Personal Drug Rehabilitation Centre (PDPP) which is registered with NADA.

Besides that, NADA also provides voluntary services through PUSPEN or rehabilitation program withing community which does not require clients to be in PUSPEN.

All facilities are opened for Malaysians who are involved in drug addiction's problem who are interested in getting proper treatment.

However, NADA believes that related agency must also move actively in ensuring economy and social problem of the teenager to be solved as soon as possible in order to avoid the same problem from re-happening.

Hence, in effort to achieve the vision of Controlled Drugs 2025, NADA advises the public to not get involved in any activities related to processing, supplying, smuggling, selling and taking drugs.

If any of your acquaintances or you yourself are involved in drug's problem, kindly get advice service from NADA's Rehabilitation Officer, present yourself at nearby NADA's Office or you may reach us through NADA's Hotline at **03-8911 2233** or **019-626 2233**.
