PRESS RELEASE

FOR IMMEDIATE RELEASE

**POST-FLOOD RESCUE MISSION BY NADA'S ANTI-DRUGS SQUAD SPREADS
THROUGH ENTIRE COUNTRY**

Post-flood rescue mission which is moved by National Anti-drugs Agency (NADA) through NADA's Anti-drugs Squad spreads out through entire country specifically in badly affected states caused by the catastrophe.

The initiative is one of the corporate social responsibility in effort to help and ease the burden faced by flood victims following the continuous heavy rain within 24 hours since last December 17th, 2021.

The early phase of this post-flood rescue humanity mission by NADA's Anti-drugs Squad is done around Kuala Lumpur and Selangor especially in Klang, Shah Alam and Hulu Langat areas.

Nevertheless, following the flood event which has occurred in several states and based on the value of care and humanity, NADA's Anti-drugs Squad immediately spreads out for post-flood volunteering works.

For the record, up until last January 6th, approximately around 475 volunteers of NADA's Anti-drugs Squad are moved around throughout the entire country to carry out post-flood rescue mission involving several areas in Klang Valley, Selangor, Pahang, Negeri Sembilan, Perak and Kelantan.

For Anti-drugs Squad in Seberang Prai Tengah Pulau Pinang, though the area is not affected by flood, community service remains being carried out in which Anti-drugs Squad in that area is moved to affected states such as Bentong, Pahang and Taman Sri Muda, Shah Alam, Selangor.

Besides that, NADA Kedah's Anti-drugs Squad also takes the initiative in joining to carry out the post-flood rescue mission in Temerloh, Pahang which is also joined by YB Dato' Sri Dr Haji Ismail bin Haji Mohamed Said, Deputy Minister of Home Affairs I.

Besides cleaning operation around the affected areas and residences, YB Dato' Sri Dr Haji Ismail together with NADA's Anti-drugs Squad also distribute goods to 300 families. This includes, monetary aid for orphans, converts and teachers of Kelas al-Quran and Fardhu Ain (KAFA).

Not only proactive in adding the numbers of volunteer, Anti-drugs Squad's strength remains being amplified specifically involving on-standby-mode aspect, systematic job scope and necessities preparation according to the situation of affected areas caused by the catastrophe.

Therefore, NADA really encourages the public to join Anti-drugs Squad in order to strengthen the role of community to always help each other in conveying anti-drugs campaign as well as contributing devotion in humanity service.

It is hoped that through this small gesture, Anti-drugs Squad stays proactive in gathering energies to carry out cleaning operation in flood's affected residences, as well as helping them through distribution of food supplies, basic necessities and moral support.

Hence, anybody who is interested in joining Anti-drugs Squad can now register through online platform by scanning the QR code or by clicking the link to registration form, <https://forms.gle/Ca8N75os6HSGXZxP9> which is stamped on all media social platforms of NADA.
